Any person using a copy of these Rules must ensure that they are of the latest version, as displayed on the Club website and also in hard copy in Complex Reception.

PART 1 ALL SECTIONS

1-1. GENERAL

- a. Notwithstanding any of the rules and regulations contained herein, all competitions will be played under the current version of The Rules of Golf (approved by R&A Ltd), which will be enforced by the Club, together with any Local Rules such as the Committee may consider necessary to meet the requirements of the course.
- b. It is the responsibility of each member to be familiar with The Rules of Golf and to acquaint themselves with such rule changes as R&A Ltd may implement from time to time. Copies of the latest edition of The Rules of Golf are normally available from the Complex Reception or from the Club Secretary.
- c. The etiquette of golf should be observed at all times.
- d. **You must have an active competition Handicap at the start and the end to enter any competition that spans over multiple weeks/months.**
- e. A new member, without an official handicap, must submit three cards for rounds played at Little Hay, signed by an existing Club member who holds a current active handicap. On submission of the third card, a handicap will be allocated to the player based on the best, adjusted score shown on the three cards.
- f. Any player new to the club must after either obtaining there initial handicap via three cards or from an existing certificate from another club and play three qualifying competitions before they can win a qualifying club competition.

- g. If any player is unable to play, he must notify the Competition Organiser or Competition Chairman immediately; it is not sufficient to simply contact the Complex. Failure to do so, notwithstanding exceptional circumstances, will result in the player being excluded from the next competition. Failure to appear at any subsequent competition, without notice, will result in the player being excluded from the corresponding number of competitions.
- h. In all competitions, competitors must have their scorecard marked by a fellow competitor; the scores must then be agreed by signatures of the competitor and marker.
- i. In all competitions, the marker must record as a minimum the player's gross score at each hole. In better ball competitions, it must be clear, by recording the gross score in the appropriate column on the scorecard, which player's score is to be counted. The committee for that competition is responsible for allocating Stableford points etc.
- j. Players must report to Complex Reception before playing, either to pay a green fee or to check in.
- k. From 2018 the maximum handicap any player can have rises from 28 to 54. Any member can play in a qualifying competition regardless of their handicap. However, to be able to win, the member must conform to (e) or (h) above, and unless stated differently for a specific competition, the maximum handicap allowance will be:
 - i. Men's section competitions: the maximum allowance will be 28.
 - ii. Ladies section competitions: the maximum allowance will be 54.
 - iii. Seniors section competitions: the maximum allowance will be 54.
 - iv. Juniors section competitions: the maximum allowance will be 54.
 - v. Mixed sections competitions: the maximum allowance will be 54.
 Eg: a player with a 32 handicap but a competition maximum of 28 can play but they have to play off 28. If they win playing off 28 then they win.
- l. There is no maximum handicap allowance for non-qualifying competitions, unless stated differently for a specific competition.

1-2. DRESS CODE

- a. All players are reminded that, when playing in Club competitions they are not only representing themselves, but are also representing the Club. Players are therefore required to wear clothing of a type which is generally considered acceptable as golf wear.
- b. A prescriptive list of acceptable clothing is not included, but the following are deemed to be unacceptable:
 - Football or Rugby shirts, Vests,
 - Any type of Polo shirt with a large logo (e.g. 'ENGLAND'),
 - Collarless T-shirts, unless of the crew-necked variety as worn by some professionals,
 - Football or other sports shorts. 'Tailored' shorts are acceptable, with knee length, or short, socks.
 - Combat trousers or multi-pocketed workmen's trousers.
- c. Competition organisers are empowered to prevent members taking part in competitions, if they believe that the members' attire is inappropriate.
- d. Players are encouraged to wear the Little Hay Golf Club polo shirt or jumper when competing in Club matches.

Max Hcp:

The Max Hcp refers to the maximum competition handicap allowed for use in the competition.

A definition of competition handicap:

The handicap allocated to an individual is a recognised CONGU (Council of National Golf Unions) handicap and this is one that has been supported by 3 signed cards and a handicap has been allocated to the member by the club. Members can enter competitions with no handicap so they can enter a card for Handicap, or they can have a CONGU handicap but in both cases they cannot win.

A competition handicap is a term used by Little Hay Golf Club to indicate that sufficient evidence has been provided to support the CONGU handicap and that competitions can now be played in and importantly they can now win.

A competition handicap to play in 2018, is a CONGU handicap that has subsequently been supported by a minimum of 3 further cards that have been entered by playing in qualifying competitions (excluding NR's)

A competition handicap to play in 2019 and beyond is;

- For new members in 2019 it is a CONGU handicap that has been supported by a minimum of 3 further cards that have been entered by playing in qualifying competitions (excluding NR's)
- For existing members it is a CONGU handicap that has been supported by a minimum of 6 cards that have been entered by playing in qualifying competitions (excluding NR's) in the previous rolling 12 months prior to the competition being played. This will apply from January 1st 2020.
This means you will need to have played in 6 qualifying Competitions in 2019.
- There will inevitably be some exceptions where the above is not applicable and these will be looked at by the committee – please make your representation to a committee member as soon as you realize your case needs to be looked at in order to avoid any disappointment.

PART 2

- d. Handicap allowances are as per CONGU recommendations.
- e. Organiser: as arranged.

4-2E. STEVE SEAFORD MEMORIAL TROPHY

- a. The Steve Seaford Memorial Trophy competition is played from June-end of August, and is a combination of Stroke and Match Play. It is open to all male Club members.
- b. The top four players from Divisions 1 and 2 in the June Medal are selected to proceed to the knockout rounds, which are each undertaken as singles Match Play. The format for these is:
 - i. The winner of Division 1 plays the 4th from Division 2, 2nd in Division 1 plays 3rd in Division 2, 3rd in Division 1 plays 2nd in Division 2 and the 4th in Division 1 plays the winner of Division 2.
 - ii. Match play over 18 holes* from the white tees;
 - iii. Full handicaps apply;
 - iv. As individual players are knocked out in each round, re-matching is made;
 - v. *The final round is played over 36 holes on the same day.
- c. Organiser: as arranged.

4- 3. CONDITIONS OF ENTRY

- a. The entry fee to all knockout competitions and the closing date for applications is shown on the competition's application form. The minimum entry condition for competitions is that each player must have a valid handicap at the closing date for entries. It is the player's responsibility to determine their own eligibility to play. **The entry fee is non refundable under any circumstances.** Exceptions may be made for new members.
- b. Entry to competitions will **ONLY** be accepted on the appropriate application form.
- c. The Fred Roberts Trophy is open to fully paid up Club members and there are no specific conditions of entry, beyond having a valid handicap at the time of playing the first round.
- d. Both the David Johnson Trophy and the Dacorum Trophy are open to full paid up male Club members meeting the following criteria:
 - i. Members of more than 12 months standing at the closing date for entries must have competed in at least three handicap qualifying competitions in the 12 months prior to the closing date. Exceptions may be made for new members.
 - ii. Members of between six and 12 months standing at the closing date must have competed in at least three handicap qualifying competitions in the 12 months prior to the closing date.

NOTE: a 'qualifying competition' is a Monthly Medal, or any other Competition, played off a full handicap allowance. For i & ii above, 'AWAY' members must provide a valid Handicap Certificate, or their English Golf Union CDH identification number, demonstrating that they have met the above criteria at their Home Club, if they have not competed in sufficient qualifying competitions at Little Hay.

- iii. Entry to members of less than six months standing at the closing date for entries is at the discretion of the Handicap & Competition Chairman. Eligibility must be confirmed prior to submitting the application form.

4-4. DRAW AND PROCEDURE

- a. The draw for all three competitions will be made in the week following the closing date and the draw sheets published on the Mens' Notice Board and littlehaygolfclub.co.uk two weeks after entries close. Phone numbers are held in the complex reception in a booklet titled Little Hay Golf Club members phone numbers.
- b. Dates by which the various rounds of each competition are to be played are stated on the draw sheets. It is the responsibility of both players or teams to arrange their matches and also to ensure that the matches are played by the stipulated dates.
- c. There will be sufficient time allowed for playing each round, so extensions will only be permitted in exceptional circumstances. Holidays, injuries, or long-term illnesses are not considered exceptional circumstances. Any difficulties in arranging a match must be communicated to the Competitions Chairman at least one week before the due date.
- d. If a player is unable to play his/her match before the due date as a result of injury, or long term illness, they should forfeit the match in the case of the David Johnson Trophy, or their partner must play as a single in the case of the two four-ball competitions.

Failure to arrange and play matches by the stipulated date without approval of the Competitions Chairman, which will only be given under exceptional circumstances, WILL result in BOTH PLAYERS OR TEAMS being disqualified, regardless of the reason for the delay.

- e. The result of the match should be written on the draw sheet at the earliest opportunity.
- f. Prior to starting any match, or if a play-off is required, the staff in Complex Reception should be notified that a match is taking place and that you wish to use the white tees.
- g. It should be noted that it is not permitted under *The Rules of Golf* (Rule 33-1) to play Strokeplay and Matchplay at the same time, as the rules relating to Matchplay and Strokeplay are fundamentally different. If any players attempt to play a Matchplay knockout, whilst at the same time playing a Club Strokeplay Competition, such as a Monthly Medal, they will be disqualified from the knockout competition and their score in other competitions will be treated as a 'No Return'.
- h. The Handicap & Competitions Chairman's decision is final in all matters and disputes relating to these competitions.
- i. If a match, once started, has to be suspended for any reason eg. course closed due to bad weather, the match must be continued from the tee of the next unfinished hole. eg match stopped half way through playing 7th hole. Match to be restarted/resumed from 7th tee.

PART 5

SENIORS' COMPETITIONS

*(For the purpose of these competition
a Senior at Little Hay Golf Club is a male player aged 60 or over)*

5-1. GENERAL

- a. Senior competitions throughout the year will normally be played according to the following competition rules. Variations to these rules may only be made with the concurrence of the Seniors' Competition Sub-Committee.
- b. Senior members without handicaps may play in any of the competitions detailed below, apart from the Senior Champion and Senior Cup, but for handicap purposes only.
- c. Unless otherwise stated, the competitions listed below are only open to Senior members of Little Hay Golf Club and, unless mutually agreed to the contrary, are not to be played at weekends.
- d. Seniors' Competition Sub-Committee. The Seniors' Competition Sub-Committee is: Seniors' Captain, Seniors' Vice-Captain, Seniors' Competition Organiser and a results computer representative.

5-2. MONTHLY MEDAL & STABLEFORD

- a. The Monthly Medal and Stableford competitions are normally played from the white tees and run in two Divisions, on a full handicap basis:
 - i. Division 1: up to 22 handicap.
 - ii. Division 2: 23 handicap and over.

The boundary between Divisions 1 and 2 has been chosen to apportion roughly half the players to each Division. If the proportion changes significantly, this boundary will be reviewed.

- b. The format is:
 - i. For a Medal competition:
 - a. Stroke play, with full handicap allowance.
 - b. Winner(s): lowest net score.
 - ii. For a Stableford competition
 - a. Stableford points scoring.
 - b. Winner(s): highest Stableford score.
- c. At some point in the winter the monthly competitions will be played from the tee mats; this is generally the first competition in December but the exact timing will depend on the condition of the course. From this point, Temporary Winter Handicaps will apply (see below) until the competitions revert to the white tees.
- d. Although non-Senior members may play in the Monthly Medal or Stableford competitions, they may not win the competition.
- e. In the event of a tie, countback (computer)* will be used.
- f. Organiser: Seniors' Competition Organiser or Seniors' Captain.

Note: Temporary Winter Handicap Adjustments

During the winter months, when the competitions are played from the mats they are non-qualifying for handicap purposes and temporary handicap adjustments are made following each Medal and Stableford competition, as follows:

- i. 1st place: handicap reduced by 2 strokes.*
- ii. 2nd place: handicap reduced by 1 stroke.*
- iii. 3rd place: handicap reduced by 1 stroke.*

Each April, or whenever all Medal and Stableford competitions revert to white tees, such adjustments are cancelled and official playing handicaps apply, as listed on the Club notice board and on HowDidiDo via the Club website. All handicaps are also subject periodically to general standard of play revision by the Club's handicap sub-committee.

5-3. ORDER OF MERIT

- a. Both summer and winter Orders of Merit are based on results in the relative Monthly Medal and Stableford competitions. Points are awarded for the best five net scores, or highest Stableford points, in each competition from the total field. Points are awarded as follows:
 - i. 1st place: 41 x number of starters.
 - ii. 2nd place: 26 x number of starters.
 - iii. 3rd place: 16 x number of starters.
 - iv. 4th place: 11 x number of starters.
 - v. 5th place: 6 x number of starters.

The winner is the player with the highest number of such points accumulated over the period of the competition.

- b. 'Summer' covers the period April-September; 'Winter' the period October-March.
- c. Those tying for first place will be declared joint winners.
- d. Organiser: Seniors' Competition Organiser.

5-4. ECLECTICS

- a. Two Eclectics are held during the year; Summer and Winter. 'Summer' covers the period April-September; 'Winter' the period October-March.
- b. The Eclectic is a total of the best gross scores achieved on each hole during the Monthly Medal and Stableford competitions over the period. Half the handicap in force at the end of the competition is deducted from the accumulated score to determine the net winner.
- c. In the event of a tie, the player who has the lowest handicap is declared the winner. If still a tie, the trophy is shared.
- d. ***In addition*** there is a prize for the player with the lowest gross score *before* handicap adjustment. In the event of a tie for this additional prize, the player with the highest handicap is declared the winner. If still a tie the prize is shared.
- e. Organiser: organiser of results computer.

5-5. SENIOR CHAMPION & SENIOR CUPS

- a. The Senior Champion and Senior Cup competitions are played concurrently over two days, towards the end of the summer period, as 36 hole Stroke Play events – 18 holes on Tuesday and Thursday of the same week.
- b. Entry for these Cups is open to male Club members aged 60 or more by the first day of the Competition, and who have played in at least three qualifying Little Hay Golf Club competitions (Men's and/or Seniors) during that summer season.

5-5A. Senior Champion Cup

- a. The Senior Champion Cup is Scratch in format, thus the winner is the player with the lowest combined gross score over the two rounds.
- b. In the event of a tie, the winner will be decided by a 'sudden death' play off starting at the 1st tee.

5-5B. Seniors' Cups

- a. The Seniors' Cups are full handicap events, with separate Cups being awarded for each of two Divisions, these being a split by age so that the numbers competing are roughly the same in each. The lowest combined net score over the two rounds wins. The start order for the first round will be according to handicaps, with the lower first and the higher following. For the second round the placing will be reversed, with the higher handicaps starting first.
- b. In the event of a tie in either of the two Divisions, countback (computer)* will be used to decide the winner.
- c. Organiser: Seniors' Competition Organiser.

5-6. SINGLES AND DOUBLES KNOCK OUT

- a. Both the Singles and the Doubles Knock Out competitions take place during summer months, each following the same basic format:
 - i. Match play off the white tees;
 - ii. For singles knockouts, full handicaps apply. Players take 90% of the difference between their handicap and that of the lowest handicap player for doubles.
 - iii. Each round of the competition has a target date for completion and this must be adhered to. It is the responsibility of the first named player/players to arrange a date for the match. If he/they are unable to meet the deadline then the matter should be referred to the knockout competition organiser.
- b. If matches are all square after 18 holes, a 'sudden death' play off is to be played, commencing at the 1st tee (having first obtained the agreement of the Complex Reception staff).
- c. Organiser: as arranged

5-7. 3-CLUB COMPETITION (John McDonough Trophy)

- a. All players are limited to three clubs, *including* a putter. The format is:

 - ii. There is one Division;
 - iii. Either yellow tees or mats are used, depending on the course situation at the time;
 - iv. The winner is the player with the most Stableford points.
- b. In the event of a tie, countback (clerical)* will be used.
- c. Organiser: Seniors' Competition Organiser.

5-8. CHARITY SHIELD (Vic Allen Trophy)

- a. The format of the Charity Shield is:
 - i. Stableford, with full handicap allowance;
 - ii. Played from the yellow tees;
 - iii. The winner is the player with the most Stableford points.
- b. In the event of a tie, countback (clerical)* will be used.
- c. Organiser: Seniors' Competition Organiser

5-9. PAIRS

- a. The Pairs competition format is:
 - i. Four ball better ball, in teams of two, with a draw for pairings;
 - ii. Stableford scoring is used, with full handicaps;
 - iii. Each player plays his own ball, with the higher Stableford score on each hole counting;
 - iv. The winning pair is the one with the most Stableford points.
- b. In the event of a tie, countback (clerical) * will be used.
- c. Organiser: Seniors' Captain or Vice-Captain.

5-10. CRUICKSHANK MEMORIAL SALVER

- a. The Cruickshank Memorial Salver competition is a Seniors vs Ladies match. The format is:
 - i. Pairs match play;
 - ii. Men's stroke index to be used by all players;
 - iii. Men play from the white tees, ladies from the red tees;
 - iv. Using the player with the lowest handicap as a base, the other players take 90% of the difference between their handicap and his/hers;
 - v. The number of groups to play in the competition has to be agreed in advance by the two Captains.
- b. In the event of a tie, a draw will be declared.
- c. Organiser: Seniors' Vice-Captain.

5-11. MIXED PAIRS (Jefferson/Lane Trophy)

- a. The format of the Jefferson/Lane Trophy competition is:
 - i. Stableford rules and scoring;

 - iv. Men's stroke index is used;
 - v. Men play from the yellow tees, ladies from the red;
 - vi. Alternate shots are played on each hole. Each player must have nine tee shots selected;
 - vii. The pair with the highest Stableford points score will be the winners.
 - viii. Men not paired with a lady will play a separate, but otherwise identical, competition.
- b. In the event of a tie there will be a countback (clerical)* on Stableford points.
- c. Organiser: Seniors' Captain or Vice-Captain.

5-13. SUMMERTIME STABLEFORD (with ladies)

- a. The format for the Summertime Stableford is:
 - i. Teams of four, each comprising two ladies and two Seniors;
 - ii. The score on each hole will be the sum of the best lady's Stableford score and the best Senior's Stableford score;
 - iii. Seniors will use the men's stroke indices and the ladies will use the ladies' stroke indices to calculate the Stableford scores;
 - iv. Each player will have their own scorecard — the Lady and Senior Captains will confirm the team scores at the end of play.
 - v. If players do not arrive on the day and a group of three has to be sent out, then - supposing there are two Seniors and one lady - on the five holes with the lowest ladies' stroke index, the best two of the Stableford scores may be taken, irrespective of whose scores those are.
 - vi. If there are extra Seniors, not playing with ladies, they will play a separate competition in which the three best Stableford scores are added at each hole.
- b. In the event of a tie, there will be a countback (clerical)*.
- c. Organiser: Seniors' Captain or Vice-Captain.

5-14. TURKEY SHOOT (with ladies)

 - iv. Y members off the whites, O members off the yellows.
 - v. Full Handicap to be used.
- b. In the event of a tie, there will be a (clerical) * countback.
- c. Organiser: Seniors Competition Organiser.

* **Count-back:** '*Countback (computer)*' indicates that the result has been determined by the computer program used for monthly competitions. '*Count back (clerical)*' indicates that the result has been determined clerically, using the same criteria as within the computer program mentioned above, i.e. best of: back 9, or successively back 6, back 3 or back 1 until a clear result is achieved.

PART 6 LADIES' COMPETITIONS

6-1 GENERAL

- a. Ladies' competitions throughout the seasons from April to November will be played according to the following competition rules.
- b. Ladies with handicaps may play in all competitions. Ladies without handicaps may play in competitions, for handicap purposes only.
- c. A lady member without a handicap can mark a card, but only for an existing handicapped player.
- d. Sign-up sheets for the month can be found on the Ladies' noticeboard in the ladies locker room. The player must enter her name and handicap on the sheet for the competition in which the player chooses to play. These sheets will be removed up to 12 days prior to the date of the competition. Players wishing to have their name included after this must contact the competition organizer, whose name can be found at the foot of the competition sheet.
- e. In addition to completing the competition entry form as described above, all players are required to sign the competition book on the day of the competition, prior to starting a qualifying round. Failure to do so may result in disqualification.
- f. Monday is the main day for ladies' competitions and the Alternate Day is Saturday. When a lady member plays on both a Monday and a Saturday, then their Monday score will count for Alternate Day Competitions. The Alternate Day will be arranged within 7 days of the main competition. The results of the 2 days will be combined for the allocation of prizes.
- g. A player can compete in both medals on Saturday and Monday, as these are separate competitions and not Alternate Day Competitions.
- h. If a player is unable to play she must contact the competition organizer, or if an emergency arises on the day of the competition, she can leave a message at reception.
- i. Competition cards are issued on the morning of the competition. The Committee requests the player records the competition name, date, her name, and handicap on this card. It is the player's responsibility to check they have the correct handicap on their card and not the competition organizer's.
- j. Please be on the tee 10 minutes before your tee time. You *must* start at the time established by the competition organizer. Keep up with the game in front, not just in front of the game behind.
- k. Unless otherwise stated, in the event of a tie, the result of all competitions shall be determined on a countback—i.e. back 9, back 6, back 3, back 1.
- l. Ladies cannot play with others who are playing in any competition if they are not taking part in the competition themselves. The only exception to this is where there are insufficient competitors to allow cards to be marked, in which case those who are not in the competition may play for this purpose only.
- m. If the application of these rules comes into conflict with the Rules of Golf and the CONGU Unified Handicapping System, the latter two will take precedence.
- n. If the application of these rules comes into conflict with the rules of any externally run competition, the latter will take precedence.

6-2. MONTHLY MEDALS

- a. Two monthly medals are played; one on a weekdays (normally the first Monday of each month) and the other (for Business Ladies), normally on the first Saturday of the month. A player may play in both and win both. Juniors may participate if there is no junior medal occurring at the same time, but a junior may not win the monthly medal prize.
- b. The monthly medals are played from the Red tees, starting in April and ending in November. They are all qualifying competitions.
- c. Medals are run in one division on a full handicap basis.
- d. The format for a medal competition is:
 - i. i.strokeplay, with full handicap allowance
 - ii. winner(s): lowest net score
- e. In the event of a tie, countback by computer will be used
- f. All monthly medals count as club qualifying competitions for the England Golf Medal competition. A junior with an active CONGU handicap will also be eligible to be entered for this competition.

6-3. COMPETITIONS IN MEDAL FORMAT

The following competitions are played in medal format:

A. THIPTHORPE TROPHY AND LADIES' CHAMPIONSHIP

- a. This competition is played over 36 holes on 2 consecutive days.

- b. The pair with the highest stableford score will be the winners of the O'Connor Cup. The winner will be entitled to go forward to the Daily Mail Foursomes, as long as this has been indicated in advance in the competition book.
- c. In the event of a tie there will be a countback by computer.
- d. Organiser: as arranged

6-8. ECLECTICS

COMPETITION ECLECTIC—BARNES TROPHY AND KENT SALVER

- a. The eclectic is a total of the best gross scores achieved on each hole during the monthly medal and stableford competitions, except 'whole club' competitions (i.e. Captains Day, Presidents Day etc.) over the period from April–November. Half the handicap in force at the end of the competition is deducted from the accumulated score to determine the net winners.
- b. The Barnes Trophy is awarded to the silver division winner (up to 20 handicap) and the Kent Salver is awarded to the bronze division winner (21 to 54 handicap).
- c. In the event of a tie, countback by computer will be used. If the competition is still tied after countback then the prize will be shared.
- d. Organiser: determined by computer results.

CHARITY ECLECTICS

- a. Two Charity eclecticics are held during the year: summer and winter. *The summer eclectic runs from May-September, starting with the May medal, and the winter eclectic runs from November-March, starting with the November medal.*
- b. The eclectic is a total of the best gross scores achieved from a maximum of 12 cards played in the summer and 10 cards in the winter in **any** games played over this period. The summer eclectic **must** start with a medal. The winter eclectic **should** start with the November medal. *If a player is unable to play in the November medal then the first card should be a full round of 18 holes. Half the handicap in force at the end of the competition is deducted from the accumulated score to determine the net winner.*
- c. In the event of a tie, countback will be used. If the competition is still tied after count back then the prize will be shared.
- d. Organizer: as arranged

6-9. TEXAS SCRAMBLE

- a. The format of the Texas Scramble competition is:
- b. Teams of four
- c. Medal scoring is used

PART 7

LOCAL RULES – LITTLE HAY GOLF CLUB/COMPLEX

7-1. GENERAL

These Local Rules of Little Hay Golf Club & Complex are intended to clarify the status of various hazards, obstructions and out of bounds areas and markings which exist at the Little Hay Golf Complex. They apply to all Little Hay Golf Club competitions and matches and are subject to periodic change. Any queries relating to these rules should, in the first instance, be directed to the Handicap and Competitions Chairman.

7-2. IMMOVABLE OBSTRUCTIONS

- a. The following are defined as immovable obstructions and relief may be taken in accordance with Rule 24-2 **when the obstruction interferes with the player's stance or area of intended swing**:
 - i. All the course furniture, e.g. bench seats, ball washers and waste bins where fixed to the ground. Where a bin is free standing and can be easily moved, it should be treated as a movable obstruction and relief taken under Rule 24-1. In such an event, the bin should be replaced after the shot is played.
 - ii. Any fence which does not form a boundary of the course, e.g. the fence which extends into the area between the 6th green and the 7th tee.
 - iii. Any artificial path or surface e.g. those made of bark chippings, shells or stones around various greens and tees, but excluding all roads, which are out of bounds.
 - iv. Winter tee mats.
 - v. Any unstaked trees less than two club lengths high.
 - vi. Relief must be taken from staked trees. *(Note that close proximity to a staked tree, or a ball at rest on bare earth or rough ground at the base of a tree, are not in themselves grounds for relief. There must be actual interference to stance or swing from the tree and/or the stake.)*
 - vii. Fixed sprinkler heads. Relief without penalty may also be taken if the player's ball lies off the putting green, but not in a hazard and is at rest within two club lengths of a sprinkler head, which itself is on, or within, two club lengths of the putting green on the hole being played and the sprinkler intervenes **ON THE LINE OF PLAY** between the ball and the hole.
 - viii. Stakes or posts which mark a water hazard, if the player's ball comes to rest outside the water hazard. *(Note that white stakes or posts defining Out of Bounds are themselves out of bounds; a player is therefore NOT entitled to relief without penalty from these stakes.)*
 - ix. The direction indicator posts beyond the 12th green.
- b. Relief may be taken, with no penalty, from the point on the course nearest to where the ball lies provided that it:
 - i. is not nearer to the hole,
 - ii. avoids interference from the obstruction, and
 - iii. is not in a hazard or on a putting green.

The player must lift the ball and drop it within ONE club length of the point on the course determined under paragraph 7-2b. The ball may be cleaned when lifted under this rule.

7-3. WATER HAZARDS

- a. There are currently two water hazards on the Little Hay 18-hole course: the (usually dry) pond on the 10th fairway and the drainage ditch which runs along the right hand side of the 4th fairway and continues across the left front of the green.
- b. The drainage ditch to the right of the 4th fairway is a lateral water hazard marked by red posts. The limits of this hazard lie within the ditch and between the outer extremities of the red posts at either end of the ditch. The ditch becomes a normal water hazard where it runs across the front of the 4th green and is marked by yellow posts. The limits of this water hazard lie within the ditch and between the outer extremities of the yellow posts at either end of the ditch.
- c. The pond on the 10th fairway is an ordinary water hazard, marked by yellow posts. The limits of this hazard are well defined, even in the absence of a marked line on the ground between the yellow posts.
- d. The posts which define the margin of the water hazards are themselves in the hazard. In the event that a ball comes to rest against such a post, the player is not entitled to relief without penalty. The player should either play the ball as it lies or proceed as described in paragraph 7-3hi, ii or iii.
- e. In the event that there is interference from the posts which define the margin of the water hazard, or the bushes growing within the pond on the 10th fairway, when a ball is at rest within the hazard, the player is not entitled to relief without penalty. The player should either play the ball as it lies or proceed as described in paragraph 7-3hi, ii or iii.
- f. If a ball is lost in any water hazard the player should proceed as described in paragraph 7-3 hi, ii or iii.
- g. If a ball comes to rest in any water hazard, the player should either play the ball as it lies, taking care not to ground the club within the hazard, whether or not the hazard contains water (*the penalty for club grounding is two strokes in Stroke play or the loss of a hole in Match play*), or proceed as described below in paragraph 7-3 hi, ii or iii.
- h. Relief from a water hazard may be taken as follows:
 - i. Under penalty of one stroke, play a ball as close as possible to the spot from which the last stroke outside the hazard was played, or
 - ii. Under penalty of one stroke, drop a ball behind the water hazard, keeping the point at where the ball crossed the margin of the water hazard between the hole and the point at which the ball is dropped, with no limit to how far behind the hazard the ball may be dropped, or
 - iii. **For lateral water hazards only:** under penalty of one stroke, drop a ball outside the water hazard not nearer to the hole, and within two club lengths of:
 - a. the point where the original ball last crossed the margin of the water hazard, or
 - b. a point on the opposite margin of the water hazard equidistant from the hole.

The ball may be cleaned when lifted.

7-4. STONES IN HAZARDS

- a. Stones in bunkers are movable obstructions, rather than loose impediments, and may be moved without penalty; Rule 24-1 applies.
- b. Stones in water hazards, whether containing water or not, are loose impediments and MAY NOT be moved; Rule 23 applies.

7-5. GROUND UNDER REPAIR

- a. In addition to those parts of the course which may, from time to time, be marked as GUR (Ground Under Repair), the following should be considered ground under repair and relief without penalty may be taken in accordance with Rule 25-1:
 - i. When the GUR interferes with the player's stance or area of intended swing, or stroke on a putting green.
 - ii. Hole(s) not in play on a putting green where more than one hole is cut. Relief may ONLY be taken when a player's ball lies on the putting green and when relief is taken, the ball should be placed, not dropped.

Note that the tree nurseries to the left of the 8th and 18th tees are no longer to be considered as GUR. A ball coming to rest in one of these areas must be played as it lies, or relief for an unplayable lie, Rule 28, should be taken under penalty of one stroke.

- b. When a player's ball is lost in GUR, relief may be taken, with no penalty, from the point on the course nearest to where the ball crossed the margin of GUR, provided that it:
 - i. is not nearer the hole,
 - ii. avoids interference from the GUR, and
 - iii. is not in a hazard or on a putting green.

The player must drop a ball within ONE club length of the point on the course which fulfils paragraph 7-5bi, ii or iii.

7-6. RELIEF FOR EMBEDDED BALL

When Winter Rules are permitted, through the green, a ball that is embedded in its own pitch-mark in the ground may be lifted, without penalty, cleaned and dropped as near as possible to where it lay but not nearer the hole. The ball when dropped must first strike a part of the course through the green.

7-7. AERATION HOLES

On the putting green, a ball that comes to rest in or on an aeration hole may be placed at the nearest spot not nearer the hole that avoids the situation.

7-8. WATER IN BUNKERS

When casual water is present in bunkers, relief may only be taken in accordance with *The Rules of Golf*; Rule 25-1b(ii) applies.

7-9. OUT OF BOUNDS

A ball is out of bounds (OOB) when it comes to rest:

- a. Beyond the boundaries of the course.
- b. On the Clubhouse precincts, including immediately surrounding paths, car parks, gardens, outbuildings and practice putting green.
- c. Beyond the white posts surrounding the Driving Range. (*Note that the fence surrounding the Driving Range, and the supporting stanchions, all lie OOB, therefore relief without penalty may NOT be taken if any part of the fence or stanchions interferes with the player's stance or area of intended swing.*) Also to the left of the 4th and 5th, on the footpath to the left of the 6th hole and the woods to the right of the 7th hole.
- d. On the mown area of the Pitch and Putt course, to the right of the 10th, 11th and 12th fairways, when no white OOB marker posts are present.
- e. On or beyond all roads.

7-10. SAFETY

Players competing in Little Hay Golf Club competitions and matches are not permitted to intentionally drive down the 9th fairway from the 18th tee. Players must accept full liability for any injuries caused by such an action.

7-11. DISTANCE MEASURING DEVICES

In all Little Hay Golf Club competitions, a player may obtain distance information by using a device that measures distance only. If, during a *stipulated round*, a player uses a distance-measuring device that is designed to gauge or measure other conditions that might affect his play (e.g. gradient, wind speed, temperature etc.), the player is in breach of Rule 14-3, for which the penalty is disqualification, regardless of whether any such additional function is actually used.
