Please collect your card 20 minutes before your tee time and be ready to tee off 10 minutes prior to your tee time.

Please remember that this is a fun competition played in the coldest months of the year and your round should not take more than 4 hours 15 minutes.

To discourage slow play, one point will be deducted from the scores of each team of the group who takes more than 4hr 30min for the round and holds up teams behind.

Any uncollected sweep will go to the Captain's Box. When the W/L has finished, the total collection will be distributed amongst captains' charities; seniors, men and ladies.
